

1st April 2021

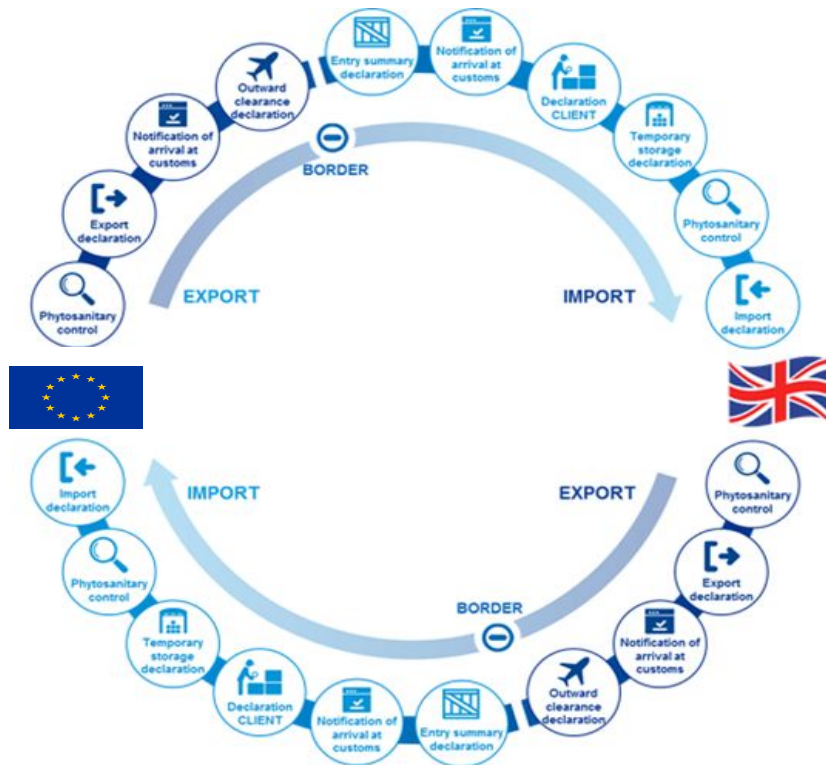

Pre notification, using IPAFFs & certificates required for POAO, HR F (and feed) NAO & all regulated plants and plant products

**POAO, ABPs, HR FNAO and live animals must be accompanied by an EHC so they can have remote documentary checks and be pre-notified by the importer using IPAFFS**

**POAO, ABPs, live animals and germinal products must also enter England, Scotland or Wales through a BCP.**

**New requirements for low risk ABPs now also apply**

**1st July 2021**
